

IP4Growth - Enhancing Intellectual Property Capacities for Agricultural Development

Study Visit and Management Meeting, Act. 1.1. of the Work plan

Venue: Queen Mary Intellectual Property Research Institute

Centre for Commercial Law Studies, Queen Mary, University of London

25th - 27th June, 2014

Act. 1.1. Study Visit and Management Meeting

Main objective of this Study Visit:

Participants will be introduced to the core areas of intellectual property and related rights relevant to the project, including specifically geographical indications and traditional knowledge. Participants will also be acquainted with the entire range of IP rights, their scope and limitations, and their regulation on an international basis.

Expected Results:

Participants are expected to acquire a sound understanding of the diversity of rights and their divergences. Furthermore, participants should gain an insight into the general legal frameworks existing on an international, European and national basis. The main objective is to raise awareness of the foundations and fundamental aspects of the various rights discussed during the workshop.

Methodology:

Face to face teaching and discussion.
